

Who We Are

Across the country, MiddleOak Specialty® specializes in commercial residential insurance for apartments, and community associations.

Many property owners and managers need an insurance program that is aligned with their business, the properties they manage, and the specific type of market their housing serves. These needs are often not deeply understood in the general market. As a specialist in commercial residential insurance, we have the ability to provide solutions that fit your business.

How we do business

MiddleOak Specialty® is only available through a limited number of Habitational Brokers who are multifamily insurance specialists.

PROMISES KEPT – CLAIMS SATISFACTION IS OUR PRIORITY

We keep our promises. We define success as achieving our goals in ways in which we can be proud. Doing the right thing is at the center of everything we do.

**Protection you
can count on.**
